Who's the best-dressed cricketer? The worst? Get Guru opinion here

Someone asked a question on...

"I'm seeking simple, inexpensive software to calculate ingredient quantities. My wife and I cater for buffet parties for up to 100 guests whereas recipes are normally written for 4 to 8 people." - Entertaining

Which hair style suits you best?

MINOCHER PATEL, a personality development and grooming trainer from Pune has joined the band of gurus for TringTring.com. India's person to person (P2P) interaction platform on the Internet. Since its launch in Mumbai, two months ago, TringTring.com has roped in 102 reputed Indian personalities as gurus for their P2P platform to provide online advisory services. The site offers online advice on a lot of topics such as education, personal finance, jobs, health and fitness, sex and relationships, home and hobbies, parenting and child care, spirituality and religion, home computing, beauty and style, cookery, travel, astrology and advice on various products with about 2,40,000 experts from all around the globe.

Patel is a management graduate from Symbiosis Institute of Management, Pune, and has conducted several seminars on grooming and personality development in India as well as abroad, in corporate houses and management institutes. So if you have any doubts, questions, personality problems ask Patel online through TringTring.com
